**Fig. 3a**

**Fig. 3b**

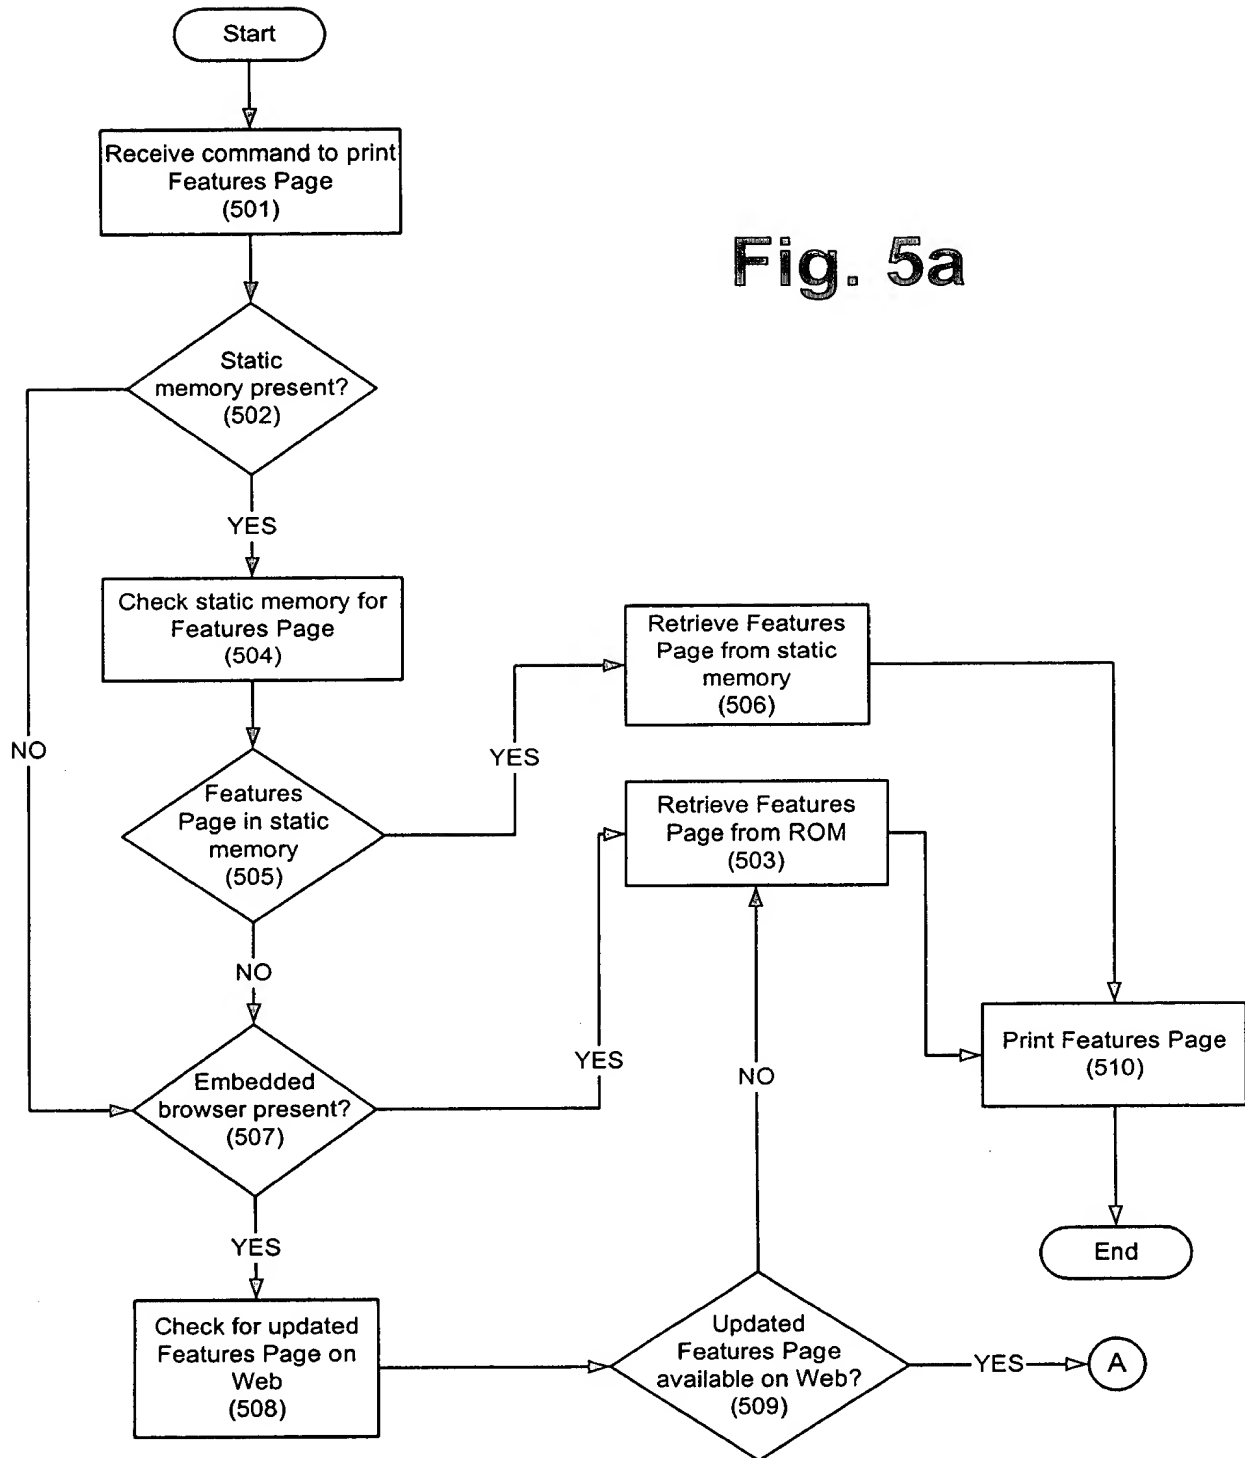

The diagram illustrates a computer system 100a. The top portion shows a perspective view of the hardware components: a monitor 300, a keyboard 303, a mouse 304, a CD-ROM 305, and a printer 100a. The bottom portion is a block diagram of the system architecture. A central Data Bus (105) connects the Processor (104), Static Memory (120), RAM (111), and User Interface Unit (110) to the ROM (103), Embedded Browser (121), Features Page (106), Image Printing Unit (107), and Paper Supply and Handling Unit (108). An Exterior Data Line Connection (109) is also connected to the Data Bus. A large arrow points from the perspective view to the block diagram.
